LOS ANGELENOS

E. S. Stover, Back From G. A. R. Encampment, Brings Latest News of Former Albuquerqueans on Coast.

The veterans of the Grand Arms ave no possible complaint to make the treatment they received at the national encampment in Los Angeles," city today. Governor Stover returned sterday from an extended visit in or Augeles, San Diego, Pasadena, at utation lateral, and in fact practicalall the suburb sof Los Angeles, for Stover Gidn't miss many of them.

The ga bering of the old soldiers was as nearly a perfect success as could be possible," said Governor "They were royally enter-

Clovernor Stover mays that Miss Bachel Allison, daughter of Colonel Johnson. oust, marched with the veterans along the whole line of march. Col Johnson, who was visited by Governor Storer, is reported to be improving in health. Governor Stover made the complete rounds of former Albuquerquents now living in Los Angeles and environs and found them all prosperous inclusive of O. W. Strong, father " the Strong Brothers of this city, who has a palatial mansion and showed Covernor Stover the sights of during the two days the local man spent with him. Covernor Stover

California for Bull Moese. There is little doubt that California will go all for Roosevelt," said Governor Stover today, "but as nearly eight as I can judge it will be poor consolation, as that is apparently the only state he will get."

Former Superintendent of Rio Grande Division of Santa Fe. Notes Great Improvement in Seven Years.

Allonquerque has grown areatince my last visit here seven years ago," said J. P. McNally, former an perintendent of the Rio Grande divi tion of the Santa Fe, with headqu ters in San Marcial, new amportations ent of a Kansas division on the Santa Fe, with residence in Changte, Kanwho is here today on a brief visit to the first time in seven years. Mr McNailly, when superintendent Rio Grande division had charge of the Albuquerque yard, and supervised th construction of the Alvarado hot and group of Santa Fe buildings, at made frequent trips here. Nally stopped off here today on hi way back to Chanute after a Mup Et Paso, to visit his sister, Patrick, of the St. Joseph's sanitar

"You can say for me," said Mr. McNally, "that Abuquerque is a rattling good little city. You people who have lived here all the time don amow the improvements that have been made during the last aix or seveyears. I have been yway for seve years and am frank to say that the improvements strike me as remark The old-time hustle and ge there spirit is as apparent as it eve was and I am glad to see that the warhorses are still in the game of keeping things going. I notice near new buildings in the business district and all of them are permanent stru tires which will be a credit to cities much larger than Albuquerque. The growth in the residence districts emarkable and I can plainly see the the population has almost doubled The payed streets and ornaments lighting in the business section ur we improvement features that al ensa stamp a progressive townam very glad that Albuquerque le forging about Albuquerque people an put it down that they live in any little city that is right up to the ninute and bound to make good."
